

Bathroom

# Deep

Perfect as a suspended bathroom furniture, which can be designed in a wide range of options, but is also remarkable when mounted on a metal base. Its compositional flexibility is unique, developed around three different depths and a magnificent range of finishes.

## BATHROOM FURNITURE IN FENIX® OR HPL

The design of this modern bathroom furniture offers extraordinary creative freedom, enriched by the optional insertion of a back panel, possibly with sides, to enhance the main unit. It's a decorative feature that emphasises Deep, ennobles it since it's made with an innovative material such as Fenix® or in the remarkable stone and oxide effects of the HPL finishes, and makes it even more functional if it's accessorized with a shelf, which can be fitted with the Pomolo hanger.

## MATCHING DEEP MIRROR

Deep is designed with attention to every detail, including mirrors that decorate the bathroom furniture on request. They are enriched by a Fenix® or HPL panel that recalls the details of the cabinet and can be set up in different positions.

# FINISHES

The modular flexibility of Deep bathroom furniture system is expressed in an extreme wealth of available materials and finishes. Discover them now!
