

Shoe cabinets

Hosoi

Hosoi is the elegant entrance shoe cabinet so refined that it can also be used as a chic piece of furniture for the living room. Its lacquered door, characterised by an unusual side grip integrated in the thickness, is combined with a top in a contrasting material that enhances sight and touch and adds appeal to the furniture.

CAPACIOUS AND ELEGANT SHOE CABINET

Hosoi's considerable storage space is classily styled in countless lacquer finishes and gains even more value with the extra-light glass or stoneware top. An entrance cabinet rather than a shoe cabinet.

FINISHES

Extralight glass or stoneware top, structure and fronts in matt, glossy, mica, resin or metal effect lacquer or classic white melamine. Choose the combination you prefer.
