Lapis

From a concept of a simple, modern bathroom furniture to a concept that combines aesthetics and functionality to raise modularity to its highest peaks and satisfy the most diverse design requirements. This is Lapis. Distinctive feature: the essentiality of a 45° door grip.

BASIC BATHROOM FURNITURE

The elegance of simplicity, for Lapis. A linear bathroom furniture that emphasises every feature also with unexpected solutions, obtained by joining the fronts at 45°. This allows the drawer to stand out from the rest of the composition and give movement in a change of depth, which also involves the mineral marble top.

FINISHES
