

Bagni

Deep

Perfetto come mobile bagno sospeso, da interpretare in una varietà di opzioni, è notevole anche montato su un basamento in metallo. La sua è una flessibilità compositiva unica, sviluppata intorno a tre diverse profondità e a una magnifica gamma di finiture.

MOBILE BAGNO IN FENIX® O HPL

Il design di questo moderno mobile bagno offre una straordinaria libertà espressiva, arricchita dall'inserimento opzionale di una schiena, eventualmente accompagnata da fianchi, per valorizzare il modulo principale. È un accorgimento decorativo che dà evidenza a Deep, lo nobilita poiché è realizzato in un materiale innovativo come il Fenix® o nei notevoli effetti pietra e ossido delle finiture HPL, e lo rende ancora più funzionale se accessoriatato con una mensola, attrezzabile con l'appendino Pomolo.

SPECCHIERA DEEP COORDINATA

La progettazione di Deep è curata in ogni dettaglio, anche nelle specchiere che, a richiesta, possono completare l'arredo bagno. Sono arricchite da un pannello in Fenix® o HPL che riprende i particolari del mobile e può essere allestito in diverse posizioni.

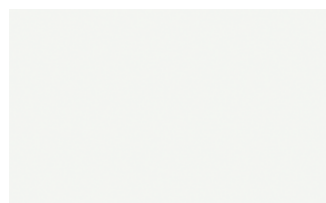

FINITURE

La flessibilità compositiva del sistema per l'arredo bagno Deep si esprime con un'estrema ricchezza nei materiali e nelle finiture disponibili. Scoprili sin da ora!
