

Bagni

Gola up

Un sistema di arredo bagno con apertura a gola dalle forme essenziali e dalle linee pulite, nel quale la ricerca della continuità si concretizza nella gola totale o parziale. Si delinea così un elemento distintivo, che trasforma la funzionalità dell'apertura in un decoro per l'intera collezione.

MOBILE BAGNO CON APERTURA A GOLA

Caratteristica distintiva del modello è il sistema di apertura a gola, totale o parziale rispetto alla lunghezza del frontale. La maniglia in alluminio è inserita nell'apposita scanalatura dell'anta per agevolare la presa.

BAGNO CON L'ELEGANZA DEL METALLO

Gola Up aggiunge carattere alla sua linearità con fianchi e top con alzatina in elegante metallo. Un sapore metropolitano, dark o industrial, a seconda degli abbinamenti. Possibile accessoriare i fianchi con una mensola in legno che crea un vano a giorno.

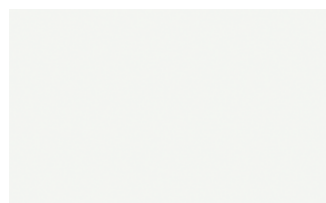

FINITURE

Un'ampia gamma di materiali e forme che uniti in modo personale creano un linguaggio estetico sempre nuovo.
Trova gli abbinamenti che ti esprimono al meglio.
