FRONTALI

FRONTS

FRONTALI: pannelli di particelle di legno certificati CARB-02 sp. 22 mm rivestiti con nobilitazione melaminica, laccati o impiallacciati legno e verniciati; bordatura poliuretanica idrorepellente. Senso vena orizzontale nelle basi, verticale in colonne e pensili.

FRONTALI TELAIO: telaio in alluminio sezione 40x20 mm (nelle finiture bianco, nero e titanio) con vetro temperato sp. 4 mm trasparente bronzo o grigio, oppure specchio sp. 3 mm.

MANIGLIA: in alluminio disponibile nelle finiture bianco, nero e titanio. Disposta orizzontalmente in basi e pensili, in verticale nelle colonne. La maniglia può essere intera o parziale rispetto alla lunghezza (o altezza nel caso delle colonne) del frontale. Nei frontali telaio la maniglia è in alluminio nella stessa finitura del telaio.

FRONTS: CARB-02-certified 22 mm thick particleboard panels which have a melamine coating, are lacquered or have a painted wood veneer; water-repellent polyurethane edging. Horizontal grain direction on the base units, vertical on the tall and wall units.

FRAMED FRONTS: 40x20 mm section aluminium frame (in white, black and titanium) with 4 mm thick clear bronze or grey tempered glass or 3 mm thick mirror.

HANDLE: aluminium handle available in white, black and titanium. Horizontal for base and wall units and vertical for tall units. The handle can be the full width of the front (or height in the case of tall units) or partial. On the frame fronts the handle is made of aluminium in the same finish as the frame.

Maggiorazione per scocca interna nelle finiture laccato opaco: + 20%.
Maggiorazione per maniglia nelle finiture laccato opaco: + € 32.

Surcharge for internal structure in matt lacquered finish: + 20%.
Surcharge for handle in matt lacquered finishes: + € 32.

GOLA UP

ZOCCOLO E PIEDI PLINTH AND FEET

ZOCCOLO: H 6 cm, in finitura alluminio, nero, bianco oppure nelle colorazioni laccato opaco. Fissaggio mediante aggancio magnetico.

PIEDI: H 1,5 cm regolabili a scomparsa in finitura alluminio.

PLINTH: h 6 cm, in alluminium, black, white or colored matt lacquered finishes. Secured by magnetic attachment.

FEET: concealed, adjustable h 1,5 cm in aluminium finish.

ATTACCAGLIE FASTENERS

Tutte le attaccaglie sono regolabili e hanno un sistema antisganciamento. Le basi hanno attaccaglie interne alla scocca con carter di copertura su apertura battente. Gli altri elementi hanno attaccaglie a scomparsa sempre dotate di copriforo in finitura zama o laccata in tinta su vani a giorno.

Non sono inclusi viti e tasselli per il fissaggio a muro.

All the fasteners are adjustable and have a mechanism to prevent accidental release. Base units have fasteners inside the structure with a cover for the hinged opening. The other units have concealed fasteners with hole covers in a Zamak or matching lacquered finish on open compartments.

Screws and dowels for wall mounting are not included.
