

Bagni

Lapis

Da un concept per un mobile bagno semplice e moderno a un programma che unisce estetica e funzionalità fino a elevare la componibilità alle sue massime vette e a soddisfare le più diverse esigenze progettuali. È Lapis. Tratto distintivo: l'essenzialità di una presa sull'anta a 45°.

MOBILE BAGNO SEMPLICE

L'eleganza della semplicità, per Lapis. Un mobile bagno lineare che enfatizza ogni tratto anche con soluzioni inaspettate, ottenute dall'unione a 45° dei frontali. Ciò consente al cassettone di sporgere rispetto al resto della composizione e donare il movimento di un cambio di profondità, che coinvolge anche il top in marmo minerale.

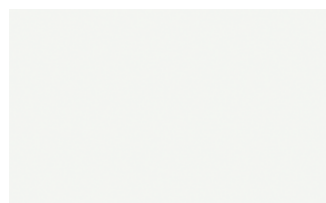

FINITURE

Una semplicità elegante è arricchita dall'uso sapiente di materiali e finiture. Scopri l'ampia gamma selezionata da Birex e individua gli abbinamenti che seguono il tuo gusto.
