

Bagni

Major

Un mobile bagno di design per il quale il minimalismo è l'interpretazione della linearità e della pulizia dei volumi in una chiave di possente leggerezza. Uno stile unico e distintivo, nel quale diversi materiali e spessori creano un gioco di volumi ogni volta originale e innovativo.

MOBILE BAGNO DAL DESIGN MINIMALISTA

Il top appare ribassato rispetto ai fianchi e ai frontali, che afferrati consentono l'apertura dell'anta, del cassetto o del cassettone. La linearità compositiva ottenuta si estende con sapiente leggerezza ed eleganza a qualsiasi composizione, in una soluzione di continuità e fluidità estetica.

MOBILE BAGNO IN GRES

La ricchezza compositiva del modello accoglie anche raffinati gres per realizzare il top con lavabo integrato e relativo frontale. Quest'ultimo è progettato in uno spessore ridotto, piacevolmente in contrasto rispetto agli altri frontali della collezione e ai fianchi, sempre valorizzati come elemento di completamento dello stile del mobile, usati per incidere sulla sua resa estetica con le finiture scelte.

FINITURE
