

Bagni

# Sidéro

Un mobile bagno con elementi in metallo, nato da un semplice tubolare di alluminio che sa trasformarsi sino a comporre un'intera collezione bagno, per poi assottigliarsi in un'essenziale e slanciata maniglia sui mobili, verticale od orizzontale.

## COMPLEMENTI IN METALLO PER SIDÉRO

L'incanto del metallo come elemento distintivo nell'arredamento, espresso con il mobile bagno Sidéro e la sua maniglia sottile, si evolve in svariati accessori da integrare nelle composizioni. Ed ecco, la scaffalatura a muro e il vano a giorno con anima in metallo e ripiani, da scegliere in numerose finiture.

## SPECCHIERA CON CORNICE IN METALLO

A richiesta, il sistema bagno Sidéro è completabile con una specchiera tonda o rettangolare, dalla cornice in metallo dotata di mensola, attrezzabile con specchio ingranditore, gancio portasciugamani e retroilluminazione.

# FINITURE

Per personalizzare Sidéro, oltre alle finiture per il tubolare di metallo che lo caratterizza, è disponibile un'ampia gamma di opzioni Birex per ogni elemento. Scopri tutto!
