

Bagni

# Traccia

Per l'arredo bagno con vani a giorno, una soluzione che nasce da un frame grafico importante: decoro geometrico che esalta l'effetto materico delle superfici, incornicia gli spazi aperti e valorizza il volume dei contenitori. Un mobile bagno dal design esclusivo e dal carattere forte.

## CORNICE ESTERNA PER VANI A GIORNO E CASSETTONI

La lavorazione della cornice esterna di Traccia unisce i pannelli a 45° per farle abbracciare gli altri elementi. In un gioco di pieni e vuoti, le fa custodire i vani a giorno e i cassettoni delle basi dell'intera collezione bagno oppure le ante di pensili e colonne.

## MOBILE BAGNO IN CANNETÉ

I frontali di Traccia possono essere richiesti nell'elegante rigato tridimensionale della lavorazione canneté. Ottenuta con un continuum di tagli verticali in bassorilievo, è rinomata per il suo sapore artigianale e per gli effetti di chiaroscuro disegnati nell'ambiente.

# FINITURE

Scegli le finiture che meglio si adattano al tuo gusto e alle tue esigenze per arredare con Traccia. Scopri la gamma di materiali e colori selezionata da Birex.
