design bolzan LAB

Un'interpretazione minimal del classico letto a baldacchino: una struttura in legno di frassino massello che disegna uno spazio intimo e seducente all'interno dell'ambiente notte, disponibile senza o con veli che fanno sognare paesi esotici e notti all'aria aperta. La panchetta dal design coordinato, aggiunge un ulteriore elemento di stile e praticità.

A minimalist interpretation of the classic four-poster bed: a solid wood structure designing an intimate and seductive space within the bedroom, available without or with veils that make you dream of exotic countries and outdoor nights. The coordinated design bench adds a further element of style and practicality.

informazioni tecniche / technical info:
