biba

Non lontano dalle forme proposta con il modello Fly, Biba si distingue per la morbidezza dei suoi tratti. Anche i vani di servizio sono studiati ad hoc, dalle cassettiere al letto estraibile con testiera, per rendere ogni composizione originale e confrotevole nella sua duplice funzione.

Not far from the shapes proposed by the Fly models, Biba is distinguished by the softness of his features. Also the service rooms are designed ad hoc, from the drawers to the pull out bed with headboard, to make every composition original and confortable in his dual function.
