

joy

design zanellato/bortotto

Dedicato al piacere di vivere la notte, Joy gioca con il contrasto fra il volume morbido e importante della testiera e del giroletto imbottiti, con le sottili e geometriche gambe metalliche. Il risultato è una sensazione accogliente e leggera, con un tocco di eleganza glamour in più, personalizzabile nei tessuti e nei colori.

Devoted to the pleasure of enjoying the nightlife, Joy plays with the opposition between the soft and important volume of the headboard and the bedframe, and the thin and geometric metallic legs. The result is a pleasant and light feeling, with an additional touch of glamorous elegance, due to the possibility to customize its fabrics and colors.
