

CUCITURE

Le cuciture non servono soltanto a unire due lembi di tessuto o di pelle, ma contribuiscono a definire la qualità del letto ed a valorizzare la sua estetica, aggiungendo un elemento decorativo, cromatico e grafico. Potremmo dire che ogni cucitura è un visibile segnale di tradizione, operosità, sartorialità e amore per la precisione. Grazie alla versatilità del processo produttivo, le cuciture possono essere personalizzate su richiesta per tipologia e colore, rendendo ogni letto ancora più speciale.
