

# BOISERIE COLLECTION

L'eleganza di un palazzo antico, di una stanza dove il tempo si è fermato: è questo l'effetto che fa la boiserie collection. Linee essenziali, tonalità decise, per ricreare un ambiente dal carattere distinto e signorile.

The elegance of an ancient building, of a room where time stands still: this is the effect of the boiserie collection. Essential lines, bold shades, to recreate an environment with a distinct and elegant character.
