

GARDEN COLLECTION

Come vivere in un giardino meraviglioso, fatto di piante di ogni genere che giocano con i raggi di sole. I colori naturali conquistano e trasportano in un ambiente primordiale, dove si respira aria fresca e pulita. Nessun altro posto nel mondo è così accogliente come quello creato dalle forme sinuose della natura.

It's like living in a marvellous garden with all sorts of plants that interact with the sunlight. You are bewitched by natural colours that take you to a primordial place where the air is fresh and clean. No other location in the world can be as perfect as the one created by the sinuous forms of nature.

GARDEN COLLECTION

Un viaggio intorno al mondo attraverso la linea equatoriale, dove la natura è rigogliosa, e poi cambio di latitudine, oltre il Tropico del Cancro, per trovare climi più temperati e una vegetazione scandita dalle stagioni. Porta sulla parete la natura che preferisci.

A trip around the world, across the equator where nature is luxuriant then opting for a change in latitude, travelling beyond the Tropic of Cancer in search of more temperature climates where the vegetation changes with the season. Hang your favourite plants on the wall.
