

# FANTASIA COLLECTION

Carte da parati che liberano la fantasia e catturano l'immaginazione. Per te che non ami troppo le regole e che non ti identifichi in uno stile definito, abbiamo creato grafiche e soggetti che escono dagli schemi per entrare, con tutta la loro creatività, a casa tua (anche nelle stanze che non ti aspetti).

Wallpapers that set your imagination free and capture your fantasies. For those of you who aren't particularly fond of rules and don't identify themselves with a specific style, we have created original graphic designs and subjects that break out of the mould to enter your home (even the most unexpected of rooms) with all their creativity.

# GLEAM, precious stories

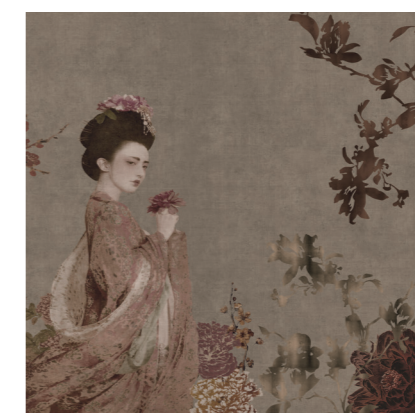

Narrazioni che sono divise in tre linee  
**WABI ESSENCE, RHYTHM E CONTINUUM,**  
 che insieme sono il racconto di un legame fortissimo  
 tra la matericità delle preziose finiture metalliche - con l'aurea  
 luminosa - e un insieme di influssi e ispirazioni giapponesi,  
 dettagli geometrici, elementi figurativi e pattern delicati.

Narratives are divided into three lines  
**WABI ESSENCE, RHYTHM E CONTINUUM,**  
 that together tell the story of a strong bond between the materiality  
 of the precious metallic finishes - with its luminous aura - and a blend  
 of Japanese influences and inspirations, geometric details,  
 figurative elements, and delicate patterns
