

GOOSE

R&D Dall’Agnese

TESTIERA: struttura interna realizzata con pannelli di particelle legnose certificati CARB-2, imbottiti con poliuretano espanso e rivestiti con tessuto accoppiato. Testiera imbottita con ovatta, rivestita e impreziosita da trapuntature verticali.

GIROLETTO: struttura interna realizzata con pannelli di particelle legnose certificati CARB-2, imbottiti in poliuretano espanso e rivestiti con tessuto accoppiato. Nella versione con giroletto H 30 cm sono presenti dei piedini cilindrici, diametro 70 mm, a scomparsa in materiale plastico colore antracite. Nella versione con contenitore il fondo è realizzato con pannelli di particelle legnose certificati CARB-2 sp. 14 mm in finitura melaminico effetto pelle zenzero e maniglia in cuoio nero. Il giroletto è dotato di serie di traversa centrale con piede di supporto ed è predisposto anche per l'alloggiamento di reti divisibili.

PIEDINI: piede P2 in plexiglass trasparente montato a 45° o piede M2 conico in metallo nero.

RIVESTIMENTO: sfoderabile in tessuto o ecopelle trapuntato verticale. I dettagli laterali potranno essere in tinta o a contrasto.

HEADBOARD: internal structure made of CARB-2 certified wood particle-board panels, padded with polyurethane foam and upholstered with bonded fabric. Headboard padded with wadding, enriched by vertical quilting.

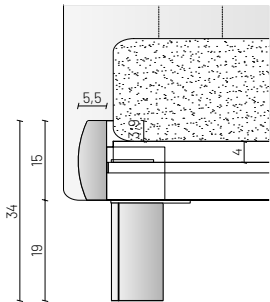

BED FRAME: internal structure made of CARB-2 certified wood particle-board panels, padded with polyurethane foam and upholstered with bonded fabric. The model with a H 30 cm bed frame is fitted with concealed cylindrical feet, dia. 70 mm, made of anthracite-coloured plastic. The storage model is equipped with a bottom made of CARB-2 certified wood particle-board panels, 14 mm thick, in zenzero leather-effect melamine finish with black hard leather handle. Bed frame supplied with central crosspiece and support foot and is also fitted to accommodate two separate bed slats.

FEET: P2 clear Plexiglass foot assembled at 45° or conical black metal M2 foot.

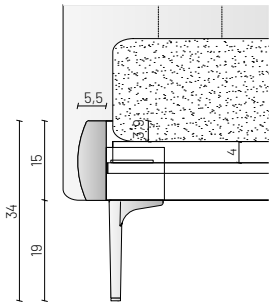

UPHOLSTERY: removable in fabric or similar leather with vertical quilting. The side details can be matching or required in a contrasting finish.
