

Divani

# Milton

Il divano componibile Milton è ottimo per spazi piccoli perché sfrutta la seduta quasi per intero. La parte imbottita è infatti comoda con forme contenute e resa ancora più aggraziata ed elegante dal bordino canneté, applicato a schienali, cuscini e braccioli.

## DIVANO componibile MILTON: MODULARITÀ

La componibilità del divano Milton si esprime in pezzi a sé stanti, come la poltrona e i divani due posti, due e mezzo o tre, oppure con gli stessi moduli laterali, compreso quello a un posto, più la possibilità di unire l'isola o la meridiana, oltre che di abbinare i cuscini decorativi e il pouf quadrato.

## DIVANO MILTON: DURATA

Le parti portanti del divano Milton sono realizzate in resistente abete massello e multistrato per garantire la solidità e durata nel tempo. Un aspetto essenziale, nascosto dietro la vasta scelta di tessuti, ecopelli e pelli disponibili per il rivestimento esterno. Il basamento è in metallo verniciato brown.

## DETTAGLI DAL SAPORE ARTIGIANALE

Il divano Milton ha schienali, cuscini e braccioli caratterizzati da un bordino perimetrale canneté che crea un decoro in rilievo. Può essere scelto in una vasta gamma di colori, sia a contrasto sia in tinta.

Il piedino scelto, verniciato brown, si addice a ogni tipo di tessuto, pelle o ecopelle, e dà al divano stesso un aspetto elegante e prestigioso.

## SCELTA TESSUTI

La vasta modularità del divano Milton dispone anche di un'ampia cartella finiture per i rivestimenti in pelle, ecopelle e tessuto, in quest'ultimo caso completamente sfoderabile. Puoi inoltre scegliere a piacere i bordini in tinta o a contrasto colore.

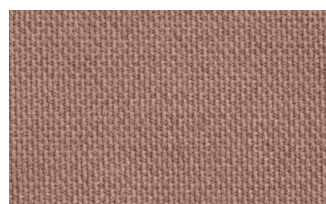

# FINITURE

Scopri subito tutte le finiture tessuto, pelle o ecopelle, disponibili per rivestire il tuo divano Milton.
