Vernici resistenti alla nebbia salina / Saline fog resistant varnishes

La base decentrata permette al tavolino Medusa S di adattarsi perfettamente agli angoli delle sedute Levante. La stessa caratteristica permette ai tavolini Medusa S e M di unirsi tra loro, per creare una unica composizione.

The decentralized base allows the Medusa coffee table to adapt perfectly to the corners of the Levante seats. The same characteristic allows the Medusa S and M coffee tables to join together to create a single composition.
