

# CLARETTA BOLD

by Florian Schmid

Claretta è diventata adulta e ha preso inevitabilmente qualche chilo. Niente di preoccupante, non fate quella faccia strana se si chiama Bold. È grossa, formosa e a noi piace così. L'espressione esile degli anni passati, che faceva tenerezza, è diventata scultorea e decisa. Ha la voce alta, da protagonista e forse è un po' egocentrica. Noi però preferiamo definirla carismatica. Si veste anche con due nuovi tessuti, il velluto per le situazioni eleganti e lo "sponge" quando vuole distinguersi dalle altre. Si inserisce perfettamente nei tavoli ed è impilabile.

Claretta is all grown-up, and has inevitably gained a few kilos. Nothing to worry about, don't pull that face if we call it Bold. It is big, voluptuous, and we like it that way. The slender expression of past years, which we viewed with tenderness, has now grown more sculptural and decisive. It has the loud voice of a protagonist, and is perhaps even a little self-centred. But we prefer to call it charismatic. It is dressed in new fabrics: velvet for elegant situations and "sponge" when it wants to stand out from the crowd. It fits beautifully with the tables, and is stackable.
