

SHIKO WONDER

by e-ggs

Lo Shiko è un rito dei lottatori di Sumo che consiste nell'alzare la gamba e poi sbatterla a terra con energia per mandare via gli spiriti cattivi. Come quel rito, abbiamo disegnato un letto che evoca solidità e sicurezza, che trova nella morbidezza della testiera la sua forza.

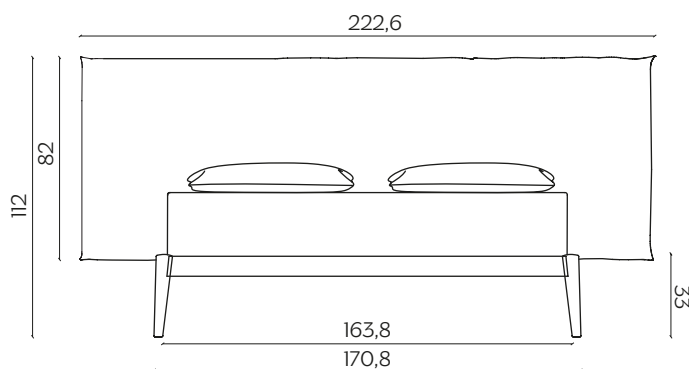

Shiko is a ritual exercise performed by Sumo wrestlers, which involves lifting the legs and stomping hard on the floor to chase away evil spirits. Like that ritual, we have designed a bed that evokes a sense of solidity and safety. Its strength lies in the softness of its headboard.
