IT Una soluzione versatile declinabile in svariati modi. Protagonista diventa il gusto individuale, con cui personalizzare gli elementi. La struttura, scandita da linee semplici e pulite, è disponibile in essenza, laccata opaca, lucida o materico, oltre che con rivestimento in cuoio, per un effetto ancora più raffinato. Due le varianti per la base: una classica versione con piedi oppure una soluzione con vano contenitore, realizzata con volume rientrante verso l'interno per una maggiore praticità e leggerezza compositiva.

EN A versatile bed available in many versions. Individual tastes, used to customise the various elements, steal the show here. The structure consists of simple, clean-cut lines and is available in wood, matt, high-gloss lacquer or materico, as well as with hard leather cover for an even more sophisticated effect. There are two options for the base: a classic version with legs or a version with storage combined with a recessed plinth for a light and airy appeal.
