

Peonia by Cristina Celestino

IT La collezione Peonia si amplia, lasciando spazio a nuove possibilità compositive, funzionali ed esteticamente affascinanti. Divano lineare, divano penisola e poltrona ora possono dialogare e interagire in modo versatile con nuovi moduli: pouf, pouf angolare, moduli centrali, ad angolo e laterali. La matrice formale resta invariata, confermando il design scultoreo e avvolgente di Peonia e il suo caratteristico guscio a petali, che richiama la delicata grazia dell'omonimo fiore. Rigogliosamente la collezione si moltiplica, dando vita ad una componibilità variegata in grado di inserirsi perfettamente in ogni ambiente e di rispondere ad ogni specifica esigenza.

EN The Peonia collection is expanding, making room for arrangements with exciting new functional and style options. The linear sofa, chaise longue and armchair now explore versatile combinations with new modules: a pouf, an angled pouf and central, corner and end modules. The basic style concept remains the same, reinforcing Peonia's sculptural, snug design and its characteristic petal structure, which recalls the delicate gracefulness of the peony flower. The collection is blossoming gloriously, creating a rich variety of arrangement options that fit perfectly in any space and fulfill any requirements.
