

## Rada by Philippe Tabet

IT Volumi sobri ed equilibrati, nati da linee morbide e raffinate. Con la sua delicatezza e il tratto gentile, questo letto offre un'eleganza eterea, frutto di una pulizia formale e sintetica che sembra nascere da un unico tratto di penna. La testiera, disponibile in due diverse altezze e con rivestimento fisso in tessuto o pelle, si curva dolcemente all'indietro, delicata e discreta. L'anima e i piedi in metallo si uniscono armoniosamente al basamento in fusione di alluminio, disponibile in finitura metallizzata o opaca, bianca e nera.

EN Simple and balanced volumes, created by soft, refined lines. With its light, airy appeal and gentle design, this bed combines a unique elegance to a very modern shape that seem to derive from a single pen-stroke. The headboard, available in two different heights with fixed cover in fabric or leather, curves gently backwards, delicate and discreet. A metal frame and legs are connected to an aluminium base, with a metal matt or glossy finish, or black and white lacquer.
