With solid wood contour - One side with tray

58.5   58.5   31   117   117   31
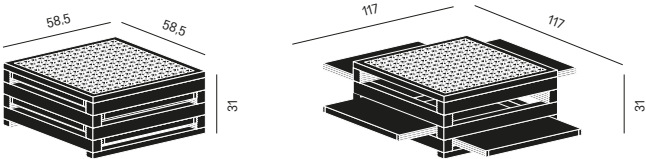

Coffee table with **S** Wood structure and 4 extractable and reversible tops. The upper part consist of a solid wood grating. The tops have **L** Laminate finish on both sides, with solid wood contour around the perimeter. All tops can be used as a tray on one side. The wood contour of the top has the same finish as the wood structure. **The coffee table can be customized.**

code	structure (solid wood)	finish (4 tops) ↑ up ↓ down (tray)
