Technical Info EN

2011

Occasional table designed in a minimalist distinctive style.

The steel legs are mortised through the top, creating an individual look. Thanks to the multiple finish options, the table can be used in numerous places, whether at home or in different architectural settings.

The tabletop is made of lacquered MDF or with an oak veneer in the various finishes offered by Viccarbe.

Víctor Carrasco

Born in Valencia (Spain) in 1974, Víctor Carrasco began his professional career after graduating Cum Laude in Industrial Design Engineering at the Polytechnic University of Valencia.

Shying away from trends and fads, he has developed and positioned international brands with remarkable added value, thanks to his passion for synthesis, sustainable growth and his pragmatic vision of the future.

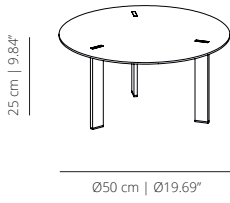

Since 2007, he has been combining his position as strategic director of Viccarbe with that of Design Director for the prestigious American multinational Coalesse (Steelcase Inc.). Likewise, as an industrial designer, he has collaborated with numerous international companies such as Boffi, Glas Italia, Gandia Blasco, LZF, Vibia and Vaalva, among others.

He was the recipient of the Prince Felipe Award for Business Excellence in 2008.
